

How much impact can you possibly have on your parish?

A lot more than you think.

Some common luxuries: Coffee/donuts for breakfast, Scratch Tickets, Cable TV, Cell Phone, Going out to eat, Vacation, Golf, Getting your hair/nails done, Fast Food for lunch, Sports...What do you splurge on? What if we dedicated that same amount weekly to our parish for a little while? How much could we help our retired priests, help bring people closer to God, help our clergy afford to serve us, help our parish? How many windows could we refurbish if every family participated?
